

BRAND MacMaster

DESCRIPTION

Cocoon floor light has been carefully developed to address those hard to illuminate hallways, corners and lounge areas. The large energy-saving globe lights-up the inner leaves creating an ambient light that transforms dimly lit spaces into incredibly satisfying living quarters. Can be fitted with a dimmer if a conventional bulb is used. Made from eight beautifully laminated timber veneers, it is hand-produced to order from MacMasters Worcestershire Workshop. Available in Oak or Walnut finish and also in small, medium, and large pendant versions. One 24 watt 120 volt medium base fluorescent lamp not included. 11.8 inches wide x 56 inches high.
