120V LED100 Horizontal Scoop Step Light

By WAC Lighting

Description

The 120V Horizontal Scoop Step and Wall Light features a sleek profile with no visible hardware, designed to seamlessly blend into any architecture. These luminaires offer enhanced energy efficient functionality and optimized light output to adequately illuminate stairs, walls and walkways with little or no glare. Made of solid die cast brass in Bronze, corrosion resistant aluminum alloy in a variety of finishes, or 316 marine grade Stainless Steel. Note: Brushed Nickel finish for indoor use only. 120 volt direct wiring with no driver needed. Fits into 2 x 4 junction box with minimum inside dimension of 3 inch length x 2 inch width x 2 inch depth. Includes bracket for J-Box mount. Up to 200 fixtures can be connected in parallel. ELV dimming 100-10%.Note: Bronze on Brass not available in Red or Blue.

Shown in stainless steel
