Nova Linear Suspension with End Feed Power/Two Canopies

By PureEdge Lighting

Description

Nova Downlight Suspension with End Feed Power and Two Canopies is a linear LED fixture that offers direct light in a clean, contemporary architectural style. Available in various increments from 36 to 240 inches, features a diffused white lens with 100 degree beam spread or clear frosted lens with 60 degree beam spread, optional black or white louver, multiple finishes, three wattage options, and a spectrum of color temperature options. Includes two canopies (canopy size dependent on length of fixture) and adjustable 12 foot coaxial and aircraft cables (fixtures over 96 inch include additional aircraft cables). Supplied with a 120V/24VDC electronic low voltage LED power supply which fits inside electrical junction box. Dimmable with an electronic low voltage (ELV) dimmer, sold separately. ETL listed. Fixture includes a 5 year warranty. Optional accessories and dimmer control sold separately. Product is built to order.
