Entra 2 Inch LED Adjustable Cylinder Ceiling Light

By Visual Comfort Architectural

Description

The Entra 2 Inch LED Adjustable Cylinder Ceiling Light is a cost-effective ceiling light option for residential, hospitality, and commercial applications. The adjustable head tilts up to 45 degrees and can be rotated 360 degrees to direct light precisely where it is needed. Entra's modern aesthetic is a perfect option for illumination in exposed ceiling applications. Warm dim 3000K - 1800K and various static white color temperatures are available. Note:2700K, 3000K, and 3000K warm dim lamping options are California Title 24 compliant. Available in Black, White, or Brushed aluminum exterior finish with Black, White, or Brushed Aluminum interior reflector color. The Flush mounting option includes an adapter plate to assemble to standard 4 inch square or octagonal junction boxes prior to ceiling install. Universal LED driver is included and must be installed in a remote accessible location.The Conduit mounting option includes a custom junction box assembled at or below the ceiling. Universal LED driver is included and must be installed in a remote accessible location.The Universal LED driver for the Surface Canopy mounting option is housed within the junction box. Standard reverse-phase, forward-phase, TRIAC, and 0-10V dimming (down to 5%).
