Muse Chandelier

By Tooy

Description

The Muse Chandelier presents a neo-vintage look with textures and finishes that emulate an industrial aesthetic. Layered metal domes - one Sand Black and the other Polished Brass or Bright Copper - are finished with a double-sided diffuser in Borosilicate Glass that provides a soft lighting atmosphere. Place the Muse where decorative, layered lighting is most needed to make a polished statement. Available in two sizes.

Shown in sand black / brushed brass
