Spot Freejack Head

By Visual Comfort Modern

Description

Spot Freejack classic head is simple in design, but extremely functional. Head rotates 360 degrees around stem and pivots 290 degrees. Compatible for use with 1-circuit and 2-circuit Monorail track systems, Wall Monorail or Freejack canopy. One 12 volt, 50 watt GU5.3 MR16 halogen bulb is required, but not included. Offered in two stem lengths. Includes Freejack connector. Can hold one lens or louver accessory, sold separately. Image shown with eggcrate louver, sold separately. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).
