Tilt Freejack Head

By Visual Comfort Modern

Description

Tilt Freejack Head is a flexible minimalist head allowing for a full 360 degree head rotation and 90 degree pivot to direct light beam to the desired location. Compatible for use with 1-circuit Monorail track system, Wall Monorail or Freejack canopy. One 50 watt, 12 volt GU5.3 MR16 halogen bulb is required, but not included. Includes Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic). Required accessory shades sold separately. Image shown with round glass shield accessory (sold separately).
