

IC22LEDG4 6 Inch 600 Lumen IC New Construction Housing

120V

Shown in: Aluminum

List Price: \$144.08
 Our Price: \$86.45

Shade Color: N/A
 Body Finish: Aluminum
 Lamp: 1 x LED/12W/120V LED
 Wattage: 12W
 Dimmer: Dimmable
 Dimensions: 15.75"L x 5.1"H x 9.1"W

Technical Information

Luminous Flux: 600 lumens
 Lumens/Watt: 50.00
 Lamp Color: 2700 K
 Color Rendering: 90 CRI
 Lamp Life: 50000 hours
 Ceiling Type: Drywall with Trim
 Housing Type: New construction IC
 Aperture Size: 0.000"

Description:

6 Inch 120 Volt 600 Lumen LED IC New Construction Housing is a dedicated LED, Air-Loc sealed new construction housing with integral light engine. Shallow housing allows for fit in 2 x 6 construction. IC designation allows housing to be completely covered with insulation. Fully sealed housing stops infiltration and exfiltration of air reducing heating and air cooling costs without the use of additional gaskets. Replaceable light engine mounts directly to housing and incorporates the latest generation high lumen output LED array. Comparable light output to a 65 watt BR30 incandescent while consuming less than 12 watts. Available with 2700K, 3000K, 3500K or 4100K color temperature, 90 minimum CRI. Wide flood distribution shipped as standard with optional optic accessories available and sold separately. 120 volt only driver is dimmable with the use of most incandescent, magnetic low voltage and electronic low voltage wall box dimmers (see attached manufacturer dimmer compatibility reference). Life rated for 50,000 hours at 70 percent lumen maintenance. Energy Star qualified and Title 24 compliant with specific trims. UL listed for damp locations. 15.75 inch length x 9.1 inch width x 5.1 inch height. A complete fixture includes a housing and trim, sold separately.

6 7/8" CEILING CUTOUT
