DESCRIPTION

The Mini LED Gimbal Housing and Trim with 24 Degree Narrow Flood is IC rated for insulated or non-insulated applications. Ideal for limited space applications including niches, bookshelves, displays and cabinets. Finish available in White with 2700K color temperature, 85CRI. Lumileds LUXEON Rebel LEDs provide comparable light output to a 20 watt MR11 halogen lamp while consuming 5 watts. Aimable gimbal design provides up to 30 degrees off vertical adjustment and 360 degree rotation. Life rated for 50,000 hours at 70 percent lumen maintenance. Remote mount Class 2 12 volt AC electronic or magnetic transformer is required, but sold separately. Dimmable per transformer specification. UL listed for indoor damp locations.
