Joshua Picture Light

By Visual Comfort Modern

Description

The Joshua Picture Light is an unobtrusive picture light designed to properly illuminate artwork without glare. Available in Chrome or Gold finish in a hardwire (junction box) option. Hardwire (j-box) version mounts to any standard junction box and includes an electronic transformer which fits inside junction box. Mounting bracket is grooved to hold picture hanging wire securely (maximum weight of picture 50 pounds). Includes a Lil Wok accessory with snap louver lens holder and electronic transformer. By changing the lamp or adding a lens, Joshua can illuminate an area as small as four inches square or as large as four feet square. ETL listed. Eggcrate louver accessory sold separately.
