**DESCRIPTION**

The 5X Surround Light Vanity Mirror features optical quality glass to ensure a clearer reflection of your true self. The 5X magnification is great for viewing up close in detail while still allowing you to see your entire face. To adjust the height, simply twist the pedestal to loosen and telescope to the desired height up to 22 inch tall. Surround Light technology amplifies light across the entire mirror face for an even light dispersion and shadow-free reflection. The super-bright fluorescent light recreates the effects of natural sunlight for a softer, more refreshing glow. One Surround Light bulb is included. Dimensions: 9.5 inch width x 16 inch height x 7 inch diameter.
