

# 10x/1x Surround Swivel Wall Mount Mirror

**Description:**

The Surround Light Wall Mirror features a dual-sided, premium quality wall mirror with two magnifications. On one side, a 10x magnification mirror allows you to see up-close and in detail, allowing for easy make-up application. The other side features a regular mirror with a 1x magnification that is great for checking your hair and make-up before you leave. Both sides of the mirror light up with super-bright Surround Lightâ fluorescent lighting that provides even light dispersion at any angle, allowing you to see the finest details in even the dimmest lighting. The Surround Light Wall Mirror is available in a beautiful Satin Nickel finish, and the base features a built-in power outlet that can be used for anything from blow dryers to curling irons. One 22 watt, 120 volt T5 type G5 base fluorescent bulb is included. Dimensions: 11.5 inch width x 12.75 inch height x 4 inch diameter.
