

BRAND Siemon & Salazar

DESCRIPTION

FJ Teardrop Lattimo Pendant is a variation of the banded line. The name refers to the Italian technique of lattimo or milk glass. These pieces focus on their forms rather than their color. Two opaque swathes of color are wrapped around a clear crystal bubble. This line is currently made in a White and Ivory combination with a Satin Nickel or Dark Bronze canopy in multiple sizes and a selection of refined silhouettes. Hand-blown and shaped in lead free crystal. Designed and made by Siemon & Salazar. Made in California. Signed. Due to the handmade nature of each piece, dimensions and color may vary slightly. Comes with light assembly, male connector, and 6 feet of cord. One 20 watt 12 volt JC type G4 base halogen bulb is included. 4 inch width x 7 inch height x 72 inch length.
