

BRAND Square Walnut

DESCRIPTION

Perfect for writing and reading, The Compasso Light is a dexterous design that is foldable, adjustable and dimmable, allowing users to create their own light. A sliding track is designed on the lamp arm and link to the soft silicone rubber hoop directly. This allow users to adjust lighting angles by simply moving the lamp arm forward and backward, or adjust the head up and down freely. One can also adjust the brightness by using the touch dimmer designed on the lamp head or rotate the lamp 360 degrees by the uniquely designed swivel base. Adopted with LED light guide technology, the Compasso Light distributes the light evenly, consumes low power yet provides sufficient brightness for reading. One 12 watt, 120 volt LED bulb is included. Dimensions: 31.375 inch width x 22.5 inch height.
