DESCRIPTION

Fora Outdoor Floor Lamp features a frosted medium density UV protected polyethylene globe shielded by weaved synthetic polypropylene fiber lamp shade in Grey Graphite, Light Beige or Brown. Finish available in Grey Graphite, Natural White or Brown Graphite. Iron structure can be securely bolted to the ground to prevent movement in high winds. Canopy is iron, coated with anti-corrosive treatment to provide protection against all weather conditions. Electrical cord is encased with protective neoprene. Base is weighted to sustain high winds and is open to allow the growth of grass. Two 20 watt self ballasted medium base fluorescent lamps not included. 19.7 inches wide x 65 inches high. 15.35 inch diameter base. 98 inch long cord. IP55 rated. UL listed.
