Kobe Pendant

By Innermost

Description

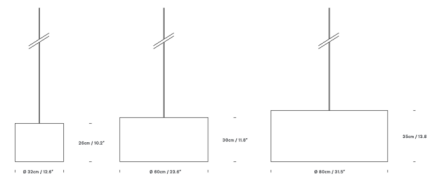

Kobe Pendant features an outer wool felt shade in Natural, Charcoal, Red, or Purple with a vinyl lining and white cotton diffuser. Includes DropLED 12 watt 3000K LED with three lens (frosted globe/clear lens/frosted filament) options. Frosted globe is a 1.7 inch diameter frosted white globe to diffuse an even soft light 270 degrees around the luminaire. Clear lens provides an even downward illumination over 220 degrees with a stronger beam at the center. Frosted filament is a frosted cylindrical diffuser that replicates a traditional filament bulb. Can also be used with no lens to give a wide even flood of light. Includes ceiling canopy in Satin Nickel with clear cable or White with white cable. Dimmable with leading/training edge and Triac dimmers, sold separately.
