Matthews Fan Company

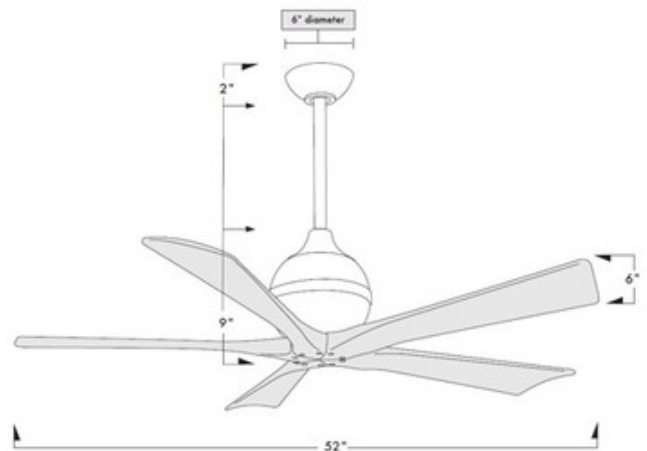

DESCRIPTION

Cutting a figure like no other, the Irene-5 Paddle is rustic, yet strikingly modern. Irene-3 is inspired by the golden age of aviation with three neatly joined propeller-shaped, solid walnut-stained wooden blades. A spherical housing complements its minimal profile and provides energy efficient six speed, in a reversible DC motor. Irene-5 is streamline while still appearing warm and natural. Compatible with vaulted ceilings mount canopy up to 29 degrees. Available in Brushed Nickel, Chrome, or Textured Bronze finish. Downrod length of 5, 10, 20 or 30 inches are available, making the Irene-5 fan 16, 21, 31, or 41 inches in height. UL listed for damp locations. Dimensions without downrod: 52 inch width x 11 inch height.

SHADE COLOR	Walnut Tone
BODY FINISH	Polished Chrome
