Description:
Reveal RGB (Red-Blue-Green), a 24VDC linear LED system, features a shallow plaster-in aluminum extrusion no thicker than drywall. The system may be secured directly to studs without joist modification and plasters into .50 inch or thicker drywall, or between studs with mounting clips provided. Reveal is sold in 1 foot 3 watt increments up to 36 feet and may be field-cut to any length. 50,000 hour average lamp life. May be powered using a remote RGB power supply with integrated RGB DMX driver available in a 100, 2X100, 3X100, or 4X100 watt option. Controllers includes a CTP touch screen controller, CDP color dial controller, or CDMX1-RGBW touch controller, sold separately. Indoor applications only. Fixture includes a 5 year pro-rated warranty. ETL listed. Major components made and assembled in the USA. System includes Junction Box, Adjustable Mounting Bars, Reveal Channel(s), Power Feed End Cap, Junction Box Cover, Dead End Cap, Take-Up Box, Drywall Screws, and LED Soft Strip. Required power supply, controller, and optional mounting accessories sold separately. Product is built to order.
