## Alinea LED Bathroom Vanity Light

By Aamsco

### Description

The Alinea Bathroom Vanity Light radiates a soft warm light, making it perfect for bathrooms. By enhancing the warm end of the lighting spectrum, Alinea is especially flattering to skin tones. Alinea can be mounted in a continuous end-to-end run using the prefabricated end knockouts. Keyhole slots in the back are provided for wall mounting. The lamp snaps in and out of the fixture for easy re-lamping. Note: Fixture does not include a cover for a standard US junction box (see attached installation instructions). Lamp sold separately (see LED lamp for dimmer compatibility).
