**DESCRIPTION**

Harlow Table Lamp is available in a Smoky glass with a Cool Cream shade. Available in a small or large. A suspension of real silver in smoky glass creates a compelling juxtaposition of matte and gloss, deep tones and surface sparkle. Light is captured and diffused between the silky string layers of the cool cream shades. One 100 watt, 120 volt A19/Medium base Incandescent lamp is required but not included. Small: 14.5 inch width x 22.5 inch height. Large: 13 inch width x 33 inch height. UL Listed.
