

BRAND

Jacco Maris

DESCRIPTION

Model A Long Wall Sconce is available in a Stainless Steel, High Gloss Stainless Steel or Black finish. Simplicity, slenderness and subtlety characterise Model A, a collection that has not gone unnoticed by lighting architects. The lamps in this collection offer unlimited possibilities because each model can be assembled according to your wishes from separate modules. In contrast to the other collections of Jacco Maris Design, the Model A lamps are not composed of a single strip. By adjusting the top cover, the accent of the light can be changed according to your wishes. One 150 watt, 120 volt T3Long/R7s base Halogen is required but not included. 9.25 inch width x 74.79 inch height.
