DESCRIPTION

Heavy Metal Floor Lamp is unrefined in its roughly artisanal appearance and visible welds, refined in its vintage-inspired design. Comes with Frosted glass and a Black metal dipped in a special acidic bath which alters its surface to a different extent each time, accelerating the natural oxidation process. Up and down light is also warm, with an enveloping and involving effect. Heave Metal has a 47 inch cord. One 150 watt, 120 volt T10 type Medium base halogen bulb is included. UL listed. 15.75 inch width x 17.5 inch height.
