DESCRIPTION

Like a volcanic rock that when it breaks apart reveals a jewel within, Rock is an interplay of surprises and contrasts. Mysterious and severe outside, diamond-bright and iridescent inside. Dark outside with an inside that shimmers, smooth and mother of pearl-covered. Available in White, Brown, and Gold. Rock's head is adjustable, making it able to focus its light band to function as a reading lamp as well as casting light upwards. Steel rod and hexagon shaped base in matte powder coated cast iron. Foot switch and cable: Black for Brown and Gold version. White for White version. One 23 watt, 120 volt medium base compact fluorescent bulb is required, but not included. UL listed. 19.6 inch width x 71.9 inch height x 23 inch depth.
