

**BRAND**

Besa Lighting

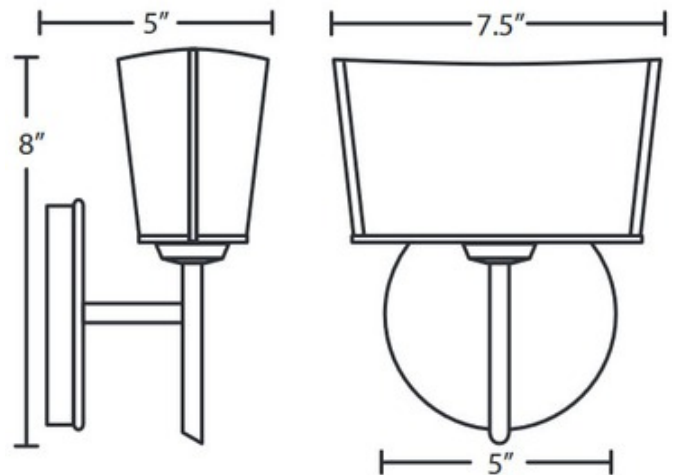

**DESCRIPTION**

Groove Wall Light features multiple segments of two-way mirrored glass in Mirror Frost with a frosted band that displays when lit. When off, the glass is completely reflective and appears as a mirror. Finish in Bronze or Satin Nickel. May be mounted up or down. One 40 watt max 120 volt JCD G9 halogen bulb is required, but not included. 7.5 inch width x 8 inch height x 5 inch depth. UL listed. Suitable for interior damp locations.

*Shown in: Satin Nickel / Mirror/Frost*
