

BRAND Visual Comfort Modern

DESCRIPTION

The Manette Pendant offers stylish simplicity with its hand-blown glass cylinder and metal band accent. The integrated LED light shines up and down, providing both indirect and direct lighting ideal for kitchens, dining areas, and offices. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The 13.3 inch high pendant is Title 24 compliant, and the 15.5 inch is not. The Natural Brass is a living finish that will patina and warm over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.
