

BRAND Legrand Adorne

DESCRIPTION

adorne Under Cabinet Modular Track system provides convenient and relocatable access for power outlets, LED lighting, USB charging, and digital music, and it all tucks away out of sight under any size cabinet from 12 inch inches up. Available in Titanium finish in 12, 18, and 27 inch lengths. Track snaps together for easy installation. Snap-in modules are interchangeable, so access to power or USB charging is as easy as swapping modules. Modules can also be relocated or changed out as workflow or power needs change. Hardwire installation. Can be backfed or surface mounted with multiple 1 or 2 gang control boxes. 12 and 18 inch lengths include one outlet module and one blank module. 27 inch length includes two outlet modules and one blank module. Provides 120V power via 15A outlet modules and 20A pass-through. Note: Required control box and optional accessories sold separately.
