

**BRAND**

Legrand Adorne

**DESCRIPTION**

sofTap Wireless Remote Dimmer is available in a White or Magnesium finish. The sofTap Dimmer is designed with an innovative micro-movement functionality, allowing you to turn lights on and off or dim them with a soft tap of the finger. This dimmer includes wireless capabilities, allowing you to pair it with a master wireless dimmer in another location to control a light from two places without rewiring. Must be paired with adorne sofTap Wireless Master Dimmer. Designed to support incandescent and halogen bulbs. 1.77 inch width x 1.77 inch height.
