Legrand Adorne

**DESCRIPTION**

The adorne 120 Volt 20 Amp Paddle Switch combines with other switches or dimmers to control a light or fixture from a single location, or pair with a second switch for 3-way control. Fits into an existing electrical box with no wiring required for a typical installation. Pair with a locator light (sold separately) to add illumination. Features Microban antimicrobial technology which helps fight the growth of stain and odor-causing bacteria. Note: Paddle switch must be paired with an adorne screwless wall plate, sold separately.
