DESCRIPTION

sofTap Wireless Remote Switch is available in a Magnesium or White finish. The Wireless sofTap Master Switch lets you control a light from a new location without running new wires. Simply install it in an existing electrical box and wire it to the light, then install a sofTap Master Switch and follow instructions to pair it with the master switch. The sofTap Switch is designed with an innovative micro movement functionality, allowing you to turn lights on and off with a soft tap of the finger. Wall plate sold separately. 1.77 inch width x 1.77 inch height.
