DESCRIPTION

Little inch halogen miniature undercabinet luminaire features a crisp, white light and excellent three dimensional rendering of tasks and displayed objects. They may also be specified with an optional fixture mounted hi-lo-off rocker switch (optional equipment sold separately). Sandblasted tempered glass diffuser reduces lamp image reflections in dark, shiny countertops. Available with white glossy, black glossy, aluminum and bronze polyester resin powder coat finish. 20 watt, 12 volt, halogen G4 bipin lamp(s) included. Transformer included. Use reverse phase dimmers specifically designed for low voltage electronic transformers when dimming at the wall. UL, cUL and ibew. Available in 8, 23 and 47 inch lengths. 4.63W x 1.19H.
