

### BRAND

Ushio America Inc.

### DESCRIPTION

Utopia LED S14 series of lamps are not only built to operate in the demanding conditions of signs, marquees and amusement rides, but they are also uniquely designed to provide an appearance that replicates traditional incandescent lamps. Utopia lamps do all of this while saving up to 80 percent in energy costs. Utopia LED S14 lamps use special AC LEDs which allow them to operate with fewer electrical components. This reduces the number of potential points of failure, providing you with a more reliable product. S14, E26 base, Clear Warm White, 2 watts, 120 volts, 2700K color temperature, 100 lumens, 80 CRI, and approximately 50,000 hour lamp life.
