

BRAND Visual Comfort Modern

DESCRIPTION

More than just a head, this unique fixture integrates the uncompromising light quality of our Unilume LED Micro Channel (which utilizes remote phosphor LED technology) with the versatility of Kable Lite. Available in two parallel length options (5 and 12 inch) and one perpendicular length option (24 inch) length. Includes LED at 7.8 watts per foot, 600 net lumens per foot, 80CRI with choice of 2400K, 3500K or 4000K color temperature, or 90CRI with 3000K color temperature. Finish in Satin Nickel. Kable Lite connectors included. Each head pivots 360 degrees and can be mounted up or down for easy control of light making it ideal for direct and indirect general illumination, wall wash and display applications. When used in conjunction with other low-voltage heads and pendants, the K-Rae offers incredible flexibility to layer light throughout a space.
