

BRAND Lightology Collection

DESCRIPTION

1st Love Table Lamp features a 12.6 inch square sheet of white Japanese paper which can be crumpled and shifted to the right and left. A lasered aluminum sheet sitting in front of one of the two LED light sources transforms the paper into a projection screen for a red heart of light. The heart is either growing, shrinking or vanishing according to the position of the paper. Includes 18 watt 3000K color temperature LED, approximately 900 lumens. Metal frame and base plate finished in Black powder coat. Can be controlled with a magnetic ball on the base plate. It is possible to create different light moods by controlling the two light sources together or separately with the option of making the red heart of light disappear. Dimensions: 15.75 inch height. 6.7 inch square base plate.
