DESCRIPTION

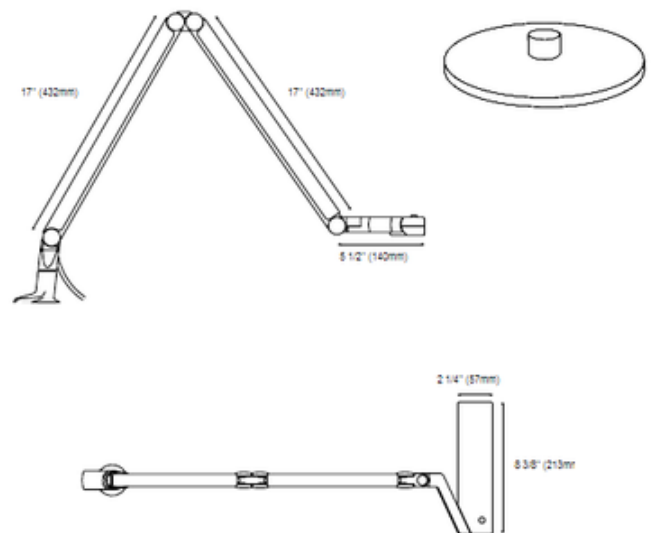

Edge Double Arm LED Desk Lamp features a silver enamel finish with heavy duty cast aluminum shade with internal reflector and prismatic lens. Slim and maneuverable, the Edge offers limitless positioning. The head rotates 180 degrees and the shade can be tilted to adjust the beam pattern. The spring-balanced arm is fully adjustable and unobtrusive, providing light exactly where it is needed without competing with other design elements. Eight 1 watt 4800K color temperature LED lamps and in-line 370mA transformer included. General light distribution. UL listed. 9 inch diameter base x 34 maximum arm length.
