DESCRIPTION

Izmir FJ Pendant is available in a Satin Nickel or Dark Bronze finish with Amber or Ivory glass. The glassblower applies a wrap over a gather of glass and then pulls the undulating pattern. A contrasting rim is created with a separate bead of glass. Silver leaf is then applied to create iridescence. Mouth-blown in Murano, Italy. No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty. One 60 watt, 120 volt A19 type Medium base Incandescent lamp is required but not included. 7 inch width x 9.5 inch height x 120 inch adjustable length. Canopy sold separately. UL Listed.
