Juri Suspension

By Lumina Italia

Description

Juri suspension features three layered handicraft blown acid-frosted white glass diffuser. Finish in polished die-cast aluminum and steel. Its latch system allows the bulb to move up and down in order to create two different kinds of lights: concentrated downwards or diffused and reflected upwards. One 250 watt, 120 volt, T10 medium base halogen lamp included. Direct/indirect light distribution. Made in Italy.
