DESCRIPTION

Trellis mount is the mounting solution for installing a mariner, cabrillo or calypso sl series spotlight on very small surfaces. It can be used for a structure as small as 2 inches x 2 inches, a size common in many residential trellis applications. The trellis mount requires that the wire connection take place at a remote location within 12 inches adjacent to the fixture location. Solid brass finish. Includes stainless steel mounting hardware. 1.5 inches wide.
