

La Jolla Path Light

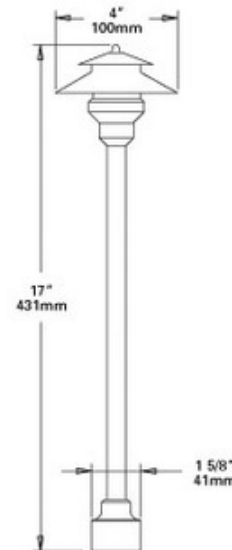

Description:

La Jolla path light features a copper diffuser and glass lens in a compact and versatile outdoor fixture. The conical shape shade is in two tiers. Graduated styling of both the brass glass holder and brass base of the copper stem complement the shade design. Built-in mechanism for easy on-site adjustment of lamp position. Optional directional reflectors available in 90, 180, 240 or 300 degree beam spread. Ground stake included. One 20 Watt 12 Volt g4 halogen Bipin lamp included. 5 and 10 Watt lamping also available. Xenon lamping option available. 12 Volt remote transformer required, not included. General light distribution. UL listed for wet locations. 4 inches wide x 17 inches high.
