

BRAND Visual Comfort Modern

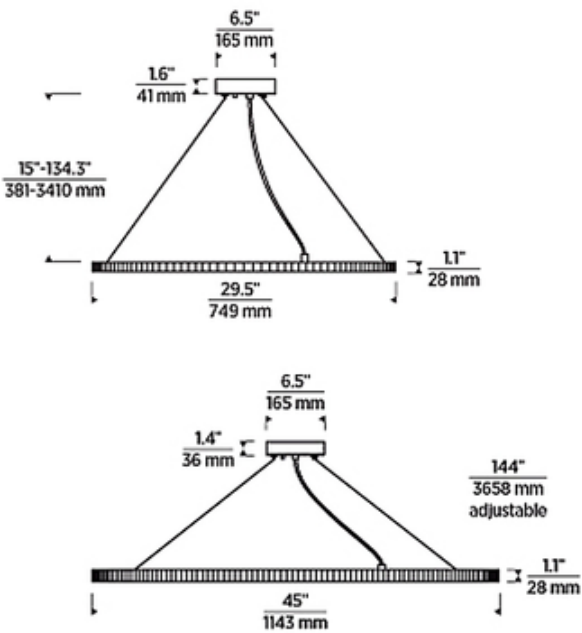

DESCRIPTION

The Interlace Pendant shows off an intricate woven design, where thin stainless steel cables are hand-strung into a metal ring frame. The ring casts a bright glow of LED light inward, highlighting the reflective strands while providing ambient illumination. The hanging cables can be adjusted to position the ring level or at an angle. Use this fixture as a standalone or cluster multiple in varying sizes and heights to create a stunning artistic installation across a larger space. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable.

Shown in: Satin Nickel

SHADE COLOR	N/A
BODY FINISH	Satin Nickel
WATTAGE	30W
DIMMER	Low Voltage Electronic
DIMENSIONS	29.5"W x 1.1"H
INTEGRATED LED MODULE	
LAMP	1 x LED/120V LED
Technical Information	
LUMINOUS FLUX	2466 lumens
