DESCRIPTION

Reveal Wall Wash is a plaster-in, dimmable LED system that mounts within a 5/8 inch drywall ceiling 24 inches away from projected wall. System mounts directly to studs or between studs without joist modification. Multiple runs of channel mount seamlessly together to provide uniform illumination on walls, and may wrap inside corners to wash surrounding walls with controlled illumination. Reveal Wall Wash includes 5 watts LED per foot and is available with 3000K color temperature with 95CRI, 51 lumens per watt/210 lumens per foot. Average lamp life 50,000 hours. System includes Reveal Wall Wash channels, LED Soft Strip, Reveal Wall Wash junction boxes and all mounting hardware. Center feed J box and L connector accessories available, sold separately. LED power supply and dimmer control required, sold separately. Electronic low voltage LED power supplies include PSB-60-ELV-24VDC, PSB-100W-ELV-24VDC, PSB-2X100-ELV-24VDC, PSB-3X100W-ELV-24VDC, or PSB-4X100W-ELV-24VDC option. Compatible dimming options for ELV power supplies include: Legrand Adorne ADTH700RMTU, Lutron DIVA DVELV-300P, Lutron Skylark SELV-300P, or Lutron Maestro MAELV-600. Indoor applications only. Fixture includes a 5 year warranty. ETL listed. Major components made and assembled in the USA.
