Trident Ceiling Fan

By Casablanca Fan

Description

The Trident ceiling fan epitomizes clean contemporary design and seamless performance. Its streamlined three-blade configuration, integrated halogen light and matching no-light cap have been engineered to echo the agile grace of an airplane propeller. Trident ceiling fan with light features reversible blades. Fan features has 14 degree blade pitch, 54 inch blade span. Includes direct drive motor and integrated remote control. Available in platinum/maple blades with a brushed nickel finish, graphite/dark cherry blades with a graphite finish or snow white/maple blades with a snow white finish. One 100 watt, 120 volt, T4 mini-can base halogen lamp included. 52 inch diameter x 15 inch height.
