DESCRIPTION

T393 PAR20 Studio I Track Fixture features a drawn steel housing with steel yoke and striking details that will enhance any traditional environment. Finish available in White with a black phenolic baffle. 90 degree vertical aiming capability and 358 degree rotation. One locking knob included. Copper alloy contacts provide precise spring action-no arcing and will not take a set. True, positive electrical ground. On/off switch included. Patented embossed polarity arrows on bottom of adapter. Spring-loaded positive latch with embossed polarity arrows secure track light to track. Pull-up contact to up position for two-circuit application. One 30-50 watt R20 or 35-50 watt PAR20, 120 volt medium base bulb is required, but not included. Halogen and incandescent bulb options dimmable with a standard incandescent dimmer. Check with bulb manufacturer for dimmer compatibility when using LED bulb option. Optional optical accessories available, sold separately. UL listed. Compatible with Juno Lighting Trac-Lites, Trac-Master 1-circuit and Trac-Master 2-circuit 120 volt line voltage track systems.
