T403 PAR30 Pro-Gimbal Ring Track Fixture 120V

By Juno Lighting

Description

T403 PAR30 Pro-Gimbal Ring Track Fixture features clean functional lines that allow maximum design flexibility. Pro-Gimbal ring PAR lamp holders relamp from the front and have grooved baffle inserts. The minimal profile with stylized yoke design is ideal for retail and commercial applications. Lamp holder has integral horizontal rotation and vertical aiming locks. Greater than 360 degree horizontal rotation eliminates aiming dead spots. 90 degree vertical aiming capability. One 35-75 watt, 120 volt PAR30 medium base bulb is required, but not included. Halogen bulb option dimmable with a standard incandescent dimmer. Check with bulb manufacturer for dimmer compatibility when using LED bulb option. Optional optical accessories available, sold separately. UL listed. Compatible with Juno Lighting Trac-Lites, Trac-Master 1-circuit and Trac-Master 2-circuit 120 volt line voltage track systems.
