T487 PAR38 Wishbone Track Fixture 120V

By Juno Lighting

Description

T487 PAR38 Wishbone Track Fixture features a sleek sculptured look and style that is unparalleled in the industry. The elegance is carried through the entire design for a fresh, contemporary appeal. Features molded polycarbonate yoke with die-formed steel ring body. Greater than 360 degree horizontal rotation eliminates aiming dead spots. Features 90 degree aiming capability. Vertical aiming locking screws secure lampholder position during relamping cycles. Finish available in White, Black or Silver. Silver finish features Black adjusting buttons. One 45-150 watt, 120 volt PAR38 medium base bulb is required, but not included. Halogen and incandescent bulb options dimmable with a standard incandescent dimmer. Check with bulb manufacturer for dimmer compatibility when using LED bulb option. UL listed. Optional optical accessories available, sold separately. Compatible with Juno Lighting Trac-Lites, Trac-Master 1-circuit and Trac-Master 2-circuit 120 volt line voltage track systems.
