

TC1R 4 Inch Remodel Non-IC Housing

Description:

TC1R 4 Inch Remodel Non-IC Housing is designed for applications where back side of ceiling is not accessible. Installs through an opening in the ceiling from below. Secured in place by factory-installed remodel springs. Design for use in non-insulated areas. If installed where insulation is present, the insulation must be pulled back 3 inches from all sides of the housing. Medium base porcelain socket with nickel-plated copper screw shell. UL listed for through-branch wiring, damp locations and IP. Product thermally protected against improper use of lamps or insulation. Halogen and incandescent bulb options dimmable with a standard incandescent dimmer, sold separately. Check with bulb manufacturer for dimmer compatibility when using LED bulb option. Lamp type and wattage dependent on housing/trim combination. 4.75 inch width x 11.5 inch length x 5.25 inch height. A complete fixture includes a housing and trim, sold separately.
