Trac 12 TLP Pendant Cordset

By Juno Lighting

Description

Trac 12 TLP pendant cord set for use with Trac 12 track systems and monopoints. Includes Trac 12 adapter. Pendant cordsets use slender coaxial construction with an attractive nickel-plated braided outer jacket/conductor available in 78 inch length in Black, Silver or White or 144 inch length in Black that is simple to shorten to desired length in the field. Cordsets are universally compatible with all Juno TLP decorative pendants. Assembly includes frosted borosilicate glass diffuser capsule for halogen bi-pin lamps and cord straightening sleeve. See individual shades for max lamp ratings and lamp compatibility. ETL Listed. Required shade sold separately. Compatible with Juno Lighting Trac 12 and Trac 12/25 low voltage track systems.
