

# TMBX26 Mini Biax Wall Wash Fixture 120V

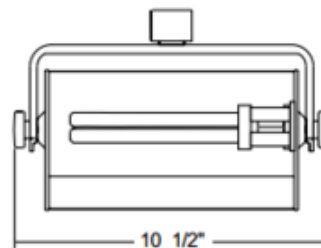

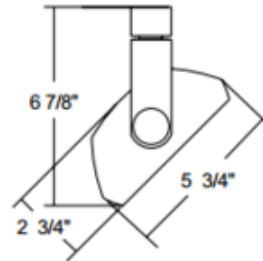

**Description:**

TMBX26 Mini Biax Wall Wash Head is a compact fluorescent track fixture that is an excellent energy efficient solution for residential, retail and commercial wall washing and display illumination. The wide distribution provides uniform illumination and focus on art and feature displays. Features computer contoured reflector and sturdy extruded aluminum housing with die-cast aluminum end caps and textured paint. Finish available in Black or White. 90 degree vertical aiming capability and 358 horizontal rotation. One 26 watt, 120 volt T4 G24D-2 2-pin base compact fluorescent lamp is required, but not included. 120V NPF non-dimmable magnetic ballast. For use with Juno Lighting 1-circuit and 2-circuit Trac-Master, 1-circuit Trac-Lites, and Recessed line voltage trac systems.
