Tolomeo Classic Wall Spot

By Artemide

Description

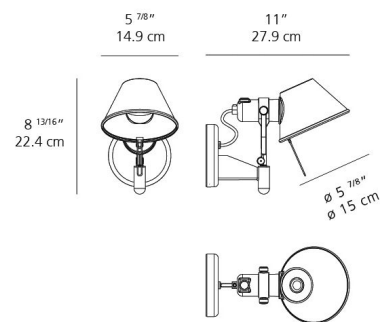

Experience the iconic flexibility of the Tolomeo series in a wall-mounted format with the Tolomeo Classic Wall Spot with Switch. This highly functional and aesthetically pleasing fixture features a highly polished die-cast aluminum finish canopy, exuding a sleek, modern appeal that integrates seamlessly into a variety of spaces. The centerpiece of its design is the fully adjustable, rotatable, and tiltable diffuser in natural anodized aluminum, allowing you to direct light with precision exactly where it's needed. Whether you're highlighting artwork, providing task lighting, or adding ambient illumination, this wall spot offers unparalleled control. The thoughtful design includes a mounting plate that cleverly conceals hardware and mounts effortlessly to a standard electrical box, centered on the fixture's canopy for a clean, integrated look. An intuitive switch is incorporated directly on the fixture, ensuring convenient operation. Customers consistently laud its exceptional build quality and versatility in directing light. Perfect for bedrooms, home offices, galleries, or living rooms, the Tolomeo Classic Wall Spot embodies contemporary and transitional design, offering a blend of robust functionality and timeless style that is a hallmark of the Tolomeo collection.
