

DESIGNER

Poul Henningsen

BRAND

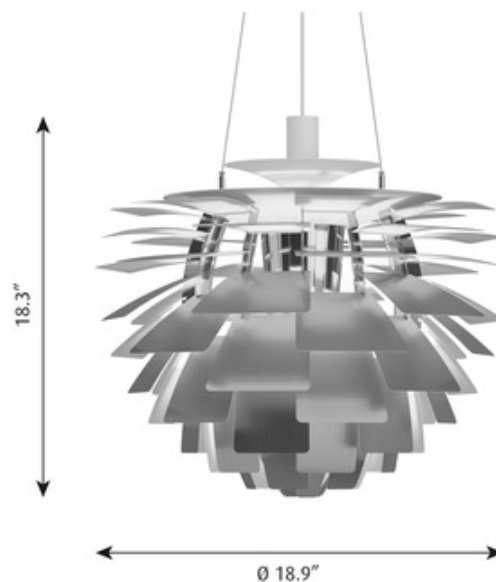

Louis Poulsen

DESCRIPTION

The PH Artichoke Pendant is an original midcentury icon. Created in 1958 by Danish design genius Poul Henningsen, the PH Artichoke is a glare-free luminaire featuring laser-cut metal leaves, which give it the sharp smooth lines so indicative of modern design. The leaves shield the light source and redirect and reflect the light onto the underlying leaves creating a stunningly unique illumination.
