12V Down Light Halogen Wall Light

By Hunza Lighting

Description

The Down Light Halogen Wall Light features a fixed head to give a dramatic one way, wash-lighting effect on walls. It can be mounted either up or down and is suitable for mounting onto timber, masonry or stone. Available in 316 Stainless Steel, Copper, or powder coat Black or Bronze finish with extra clear shatter resistant step glass lens. Supplied with a mounting base and stainless steel screws. IP66 rated for wet locations. Required transformer and optional accessories sold separately. Wall box adapter kit required when mounting to a 4 inch junction box, sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
